

OFFICE OF INTERNATIONAL AFFAIRS

Request for Reduced Course Load

This form is to be completed by F or J1 students to request approval to enroll less than full time for an academic semester. Please read this form carefully and complete all sections. Please note that the Office of International Affairs is required to indicate in SEVIS that a student is authorized to enroll less than full time.

Students must first obtain approval from the Office of International Affairs before registering less than full time. If a student registers less than full time without receiving authorization from the OIA after the drop/add deadline, the Office of International Affairs is required to report this in a student's SEVIS record. Failure to gain approval for a reduced course load will cause loss of F-1 status. Students who are in their graduating semester MUST apply for graduation prior to submitting this form.
